

Entanglement in Quantum Fields

Monday, 28 June 2021

Monday Morning: Monday Morning (09:00 - 12:30)

time	[id] title	presenter
09:00	[148] Lecture: Tensor Networks and Quantum Field Theories	CIRAC, J. Ignacio
10:30	Coffee break	
11:00	[149] TNS for lattice gauge theories: numerical strategies beyond 1D	BAÑULUS, Mari Carmen
11:30	[150] Certificates of many-body properties assisted by machine learning	TURA, Jordi
12:00	[151] Interaction as a UV-regulator for entanglement in Bose-Einstein condensates.	SANCHEZ KUNTZ, Natalia
